- 9. Partial Hospitalizations Program – WVU Medicine
- U.S. Department of Justice (DOJ) Update Beth Kurtz 10.

#### Children's Mental Health Outcomes Semi-Annual Report Update

Laura Hunt Director of Office of Quality Assurance for Children's Programs West Virginia (WV) Department of Human Services (DoHS)

## **4. Residential Services Update**

- State Plan Amendment (SPA) for Residential Mental Health Treatment Facilities (RMHTFs)
  - Creates new rate structure
  - Modernizes program requirements
  - Clarifies minimal clinical requirements
- DoHS paused SPA filing to update program manual regarding programmatic changes
  - Amending program manual allows time to determine any additional SPA changes before filing

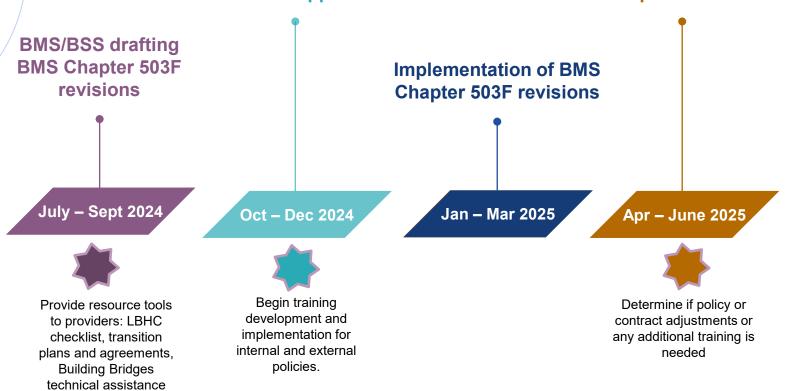

Appendix 503F of Bureau for Medical Services' (BMS') Chapter 503: Licensed Behavioral Health Services sets forth the requirements for:

- Provider enrollment
- Program levels
- Clinical services

#### 4. Residential Services Update (Cont.) BMS Chapter 503F posted for 30-day public comment period and final approval 90-day check-in with providers

- Each RMHTF (Levels I, II, and III) will be required to:
  - Offer a nationally recognized evidence-based, trauma informed treatment model that provides a framework for a trauma-informed organizational structure applicable to the population of youth served
  - Provide client-level interventions rated by the California Evidence-Based Clearinghouse for Child Welfare as wellsupported, supported, or promising to address trauma
  - Be accredited by a nationally recognized organization
  - Provide a minimum number of clinical service hours per week

- Examples of trauma-informed organizational structures
  - Children and Residential Experiences (CARE)
  - The Sanctuary Model
  - Collaborative Problem Solving (CPS)
  - Attachment, Regulation, and Competency (ARC) System Level
  - Risking Connection
  - Restorative Approach
  - Trauma Systems Therapy

Examples of client-level interventions rated by the Clearinghouse:

- Trauma Focused Cognitive Behavioral Therapy (TF-CBT)
- Eye Movement and Desensitization Reprocessing (EMDR)
- Prolonged Exposure Therapy for Adolescents (PE-A)
- Seeking Safety
- Cue-Centered Therapy
- Risk Reduction Through Family Therapy
- Structured Sensory Intervention for Traumatized Children, Adolescents and Parents – At Risk Treatment (SITCAP-ART)
- I Feel Better Now! Trauma Intervention Program

- Examples of approved accreditation organizations
  - Commission on Accreditation of Rehabilitation Facilities (CARF)
  - Joint Commission on Accreditation of Health Organizations (JCAHO)
  - Council on Accreditation (COA)
  - Any other independent Health and Human Services (HHS) approved organization

- Goals for Program Changes
  - Reduce and eliminate restraint, seclusion, and coercion
  - Reduce the share of youth re-entering treatment after transitioning back to the community following initial treatment episode
  - Reduce the share of youth who required multiple episodes of outof-home treatment
  - Shorten the average length-of-stay for youth in out-of-home treatment
  - Reduce the number of youth served in out-of-state facilities

- DoHS will continue to focus on the following areas through its Office of Quality Assurance for Children's Programs and its Continuous Quality Improvement (CQI) Plan:
  - Individualized treatment plans
  - Quality discharge plans to reduce the length of stay
  - Aftercare planning designed to reduce re-entry
  - Decreased utilization of out-of-state facilities

## 5. Resource Rundown

Watch the latest Resource Rundown episode, a short video about the Bureau for Behavioral Health's Regional Youth Service Centers available statewide for youth and families. This episode is presented in collaboration with FMRS Health Systems.

# The Promise Project

Kathy Szafran Aetna Better Health® of West Virginia

## Children's Mental Health Evaluation Residential Service

**Drs. Jen Ervin and Christi Gross** WVU Health Affairs Institute

## 8. CSED Waiver Update

- 1915(c) CSED Waiver amendment changes recently approved by CMS are planned to be effective on October 1, 2024.
- An updated Chapter 502: CSED Waiver Policy Manual was released for public comment on August 22, 2024, including policy updates related to these changes. Public comments are due by September 22, 2024.

• Visit <u>dhhr.wv.gov/bms</u> and click on *Public Notices* at the top.

## 8. CSED Waiver Update (Continued)

Approved changes to the CSED Waiver amendment:

- Wraparound facilitation updates:
  - Moderate intensity and high intensity will be the two Wraparound Facilitation services offered.
  - Both services will have a per-member per-month (PMPM) unit rate rather than the current Wraparound Facilitation 15-minute unit of service.
- Strengthened language around coordination and responsibilities of the Child and Family Team (CFT).

## 8. CSED Waiver Update (Cont.)

- Streamlined the process for requesting/approving geographic exceptions for conflict-free case management, to enable more timely access to services.
- Removed Mobile Crisis Response because it is available as a BMS state plan service under *Chapter 503: Licensed Behavioral Health Services*. Members will not experience service interruptions or losses.
- Included pre- and post-graduate relative experience in the required experience for provider staff to help increase the available workforce.

## Partial Hospitalizations Program

Blake Gibson, MD WVU Medicine

## **DOJ Update**
